FARHAVEN

Queenstown: Guided Dirt Bike Ride – Private Off-Road Trails

New Zealand - 1 day

New Zealand is waiting.

Pack light, arrive curious. The best parts of a trip are the ones you didn't plan - leave room for them.

BEFORE YOU GO

- Check visa and entry rules with your government's official source before you travel - not a forum.
- Confirm the meeting point, time and pickup with your guide directly. In-app messages are the source of truth.
- Carry a paper and a digital copy of your booking, passport and insurance. Store them apart.
- Travel insurance isn't optional. Make sure it covers medical care and cancellation.
- For weather, health and safety advisories, trust official channels over social media.
